

For more than 60 years, Boys Farm, a private residential home for children, has been “Building Boys rather than Mending Men”. Our mission is to offer a home exclusively for the purpose of providing a Christian, charitable and educational home, with love, training, understanding and guidance to meet the spiritual and physical needs of boys in need of assistance.

Boys Farm is beginning Counseling Services that will offer our clients:

- **Outpatient counseling for children and teens.**
- **Individual, family, and group therapy.**
- **Opportunities in a future Equine Assisted Services Therapy**

Join Boys Farm as a Licensed Clinical Counselor!

Position Summary:

The counselor position at Boys Farm is threefold in that the position offers therapeutic, educational, and consultative services in accordance with Boys Farm, Inc. policies and procedures. The counselor’s primary duties to include providing professional mental health services such as individual, group and family counseling services to clients and significant others with at-risk behaviors and/or behavioral needs and educational/training associated with aspects of emotional and spiritual wellness for children. Work closely with a future EAS instructor incorporating equine interactions with mental health counseling aimed at achieving positive results in the areas of physical health, emotional regulation, and social well-being.

Flexible 32 hours a week schedule, the counselor is not considered an independent contractor.

This is not a fee-for-service program, and no insurance billing will be required.

Beautiful campus with numerous ways to interact with children during sessions.

Long-term placement facilitates client consistency.

The Licensed Clinical Counselors will provide services on-site at Boys Farm, located at 6655 SC Hwy. 34/121, Newberry, SC 29108

Develop service plans and conduct reviews as needed throughout the duration of treatment.

Qualifications:

A master's degree or PhD in a mental health-related field of study, such as clinical mental health counseling, psychology.
