

## **Enduring the Race – The Next Course Children's Ministry Track Back onto Campus**

**Sunday, October 4** will mark Children's Ministry's first Sunday back inside the church in almost six months. By God's great provision, we've had the unique opportunity to offer Children's Ministry outside the future school since the end of June. While it's been such a blessing, we're very excited to join the rest of the body and gather under one roof again as followers of Jesus Christ. In order to do this, we'll be following CDC and state guidelines. We'll be implementing the guidelines and processes bulleted below as of October 4 until further notice. Although things may be a little different from what we're used to, we serve an awesome God who is the SAME yesterday, today and forever (Hebrews 13:8). He is still in control (always has been and always will be), and with that we're going to press on toward the goal to win the prize of the upward call of God in Christ Jesus (Philippians 3:14) and continue to run with endurance the race set before us, looking unto Jesus, the Author and Finisher of our faith (Hebrews 12:1-2).

### **General**

- Face masks will be required in all areas within the church building at all times for adults and children aged 9 and up. Please bring your own masks.
- CDC and state guidelines will be followed. There's no room for variation with the guidelines.
- The policies and procedures outlined in the Children's Ministry handbook (available on the Children's Ministry page) are still in effect.

### **Pre-Registration**

- Pre-registration will be required starting Sunday, October 4 until further notice for EVERY Sunday your child attends. If you're a returning family and have not pre-registered your child, we will not be able to accommodate your child that Sunday. The only exception for day of (Sunday) registration will be new children/families and if we've not already reached maximum capacity for that specific class.
- Pre-register online at Calvary Chapel Morgantown's Children's Ministry page ([ccmorgantown.com/ministries/childrens](http://ccmorgantown.com/ministries/childrens)). Please ensure you've populated the pre-registration form in its entirety by scrolling down the whole page.
- Pre-registration for the upcoming Sunday closes at noon the Thursday before. Once registration is closed, a conformation text will be sent out by noon the next day (Friday) with details of your child's assigned classroom.

### **Sunday Check In**

- Check in begins at 9:00 am and will be held in your child's assigned classroom.
- Only ONE parent/guardian is permitted to check in their child. The ONE parent/guardian listed in the pre-registration form will be the designated person for check in AND check out of their child. The check in sheet will be pre-populated with the information from pre-registration. The one denoted parent/guardian will only need to add their signature to the sheet for a quick check in process.
- Please enter through the Children's Ministry entrance. You'll have already received your child's assigned classroom (by text on Friday) and should promptly proceed to it once inside the building. Please follow the signs and floor arrows. Ushers and Children's Ministry servants will be available to help direct and guide.
- Please follow and use the designated exits. They'll be marked with signs and arrows. Backtracking through the building will not be permitted. A constant flow of traffic in and out the building needs to be maintained.

### **Class Time**

- Class will promptly begin at 9:30 am.
- Your child will remain in their assigned classroom the whole duration of Children's Ministry except to use the restroom. Please note restroom cleaning procedures are in place for after each use. The procedures are posted on the walls inside the restrooms.
- Worship will be held within the individual classrooms. A worship leader will come to their assigned class to worship with the children.
- Hand sanitizers and wipes will be readily available during Children's Ministry. Children will be asked to use either one throughout class time. If your child has an allergy or if you have a preference, please indicate that in the pre-registration form.

### **Sunday Check Out**

- Check out will commence once the adult service has ended.
- Only ONE parent/guardian is permitted to check out their child. It should be the ONE parent/guardian listed in the pre-registration form and the SAME person who checked in their child.
- Please enter through the Children's Ministry entrance and promptly proceed to your child's assigned classroom once inside the building. Please follow the signs and floor arrows. Ushers and Children's Ministry servants will be available to help direct and guide.
- Please follow and use the designated exits. They'll be marked with signs and arrows. Backtracking through the building will not be permitted. A constant flow of traffic in and out of the building needs to be maintained.

Please reach out for any questions or concerns. We're here for you and your children. These are unprecedented times for our generation and we ask for your prayers and grace as we navigate them. Please be praying for the work of the Holy Spirit in this ministry. Let's run this next course together with endurance while keeping our eyes focused on Jesus!

All for Him,
