

Sickness Policy

It is prudent that we, as a church, set forth general guidelines for children attending Children's Ministry. Our desire is to serve you and the children as best as we can and to function as wisely and safely as possible. We want to show our love and concern for one another by practicing wisdom in these areas. We appreciate your understanding and willingness to follow these guidelines.

Please do not put your child in Children's Ministry if he or she is ill or showing signs of illness. This includes, but not limited to, the following:

- Any contagious or infectious condition (i.e. flu, COVID, etc.)
- Colored nasal secretions
- Fever
- Vomiting
- Open skin wounds or rashes

If you have questions about this policy, please contact our Children's Ministry Director, Sasha, at 724-880-2391 or at ccmorgantownkids@gmail.com.

Let nothing be done through selfish ambition or conceit, but in lowliness of mind let each esteem others better than himself. Let each of you look out not only for his own interests, but also for the interests of others.
