A Thankful Heart

Colossians 3:15-17

Getting started

Do you (or have you) written out a list of all of the things you are thankful for?

Discussion

Read the passage and answer the following questions as a group.

The secret to peace is obedience to God. What's something in your life that potentially prevents you from full obedience to God? From experiencing peace?

Does your current situation control your thankfulness?

When celebrating our blessings we often focus on family, friends, or other temporary things. While those are blessings in our lives, how can we be reminded of the eternal and spiritual things God did for us?
