Love at the Cross – The Men Who Killed Him

Matthew 5:43-48 and Luke 6:27-31

Getting started

Are you one to see the big picture in difficult times, or are you more likely to focus on the current situation?

Discussion

Read the passage and answer the following questions as a group.

People were trying to force Jesus to be a traditional king, who would rule with might. What do we learn about “power” and “might” through His life and example?

Is it comforting or intimidating for you that Jesus lived out His teachings? If you’re intimidated, how can grace help to mitigate that feeling?

Jesus’ drive for us is to be made whole. How has he done, or is he doing, that in your life? How do we get better at loving people like Jesus?
