Loving the Creation

Genesis 1:27-31

Getting started

When is the last time you took a walk outside in nature? What did you see, hear, feel, experience, etc?

Discussion

Read the passage and answer the following questions as a group.

What are some of the external judgements we make when we aren't seeing people like God sees them?

How did the video about the wolves in Yellowstone reinforce the notion that if we would just leave things alone, everything would be ok? What is our responsibility to creation?

What are some small steps you can take this week that will help sustain God's creation for future generations?
