Operation Neighbor 2018

Getting started

How well do you know your physical neighbors? How many can you name?

Discussion

Read the passage and answer the following questions as a group.

Operation Neighbor is all about empowering everybody to serve and love. Why do we allow our feelings of inadequacy keep us from following Jesus' example?

Why is it that we identify most often with the Samaritan and not the Levite or the Priest? In what way is this story a lesson to you?

Identify somebody in your daily life to whom you should show more mercy. How can you take a step in that direction this week?
