Parables: The Sheep and the Goats

Matthew 25:31-46

Getting started

If you could have a pet goat, would you?

Discussion

Read the passage and answer the following questions as a group.

Doug said to stop chasing after being nice and start chasing after God, and the result will be a natural outflow of love for others. Why would this be the way it works? How can you start doing this?

How can we draw comfort from Jesus and his plans for eternity, as we walk in the now through a world full of evil?

What practices help you re-center your focus on Jesus? How do you focus on Him rather than doing good things?
