Parables: The Sower

Luke 8:1-15

Getting started

Have you successfully grown a plant from a seed?

Discussion

Read the passage and answer the following questions as a group.

What are some reasons why we are hesitant to share our faith in Christ? How does this parable provide us assurance that someone's response is not our responsibility?

How can we help those who made a commitment to Christ in an emotional moment, and are struggling in their walk, when the "mountaintop moment" wains?

In what ways can you be a "scatter of seeds", of God's love, in your everyday life? What does that look like for you and how can this group help?
