## ***Parables: The Lost Sheep***

*Luke 15:1-7*

---

### **Getting started**

Have you ever lost a child or parent in a busy place? How did it feel?

### **Discussion**

*Read the passage and answer the following questions as a group.*

Why is there such a difference between how we feel about those far from God and what He feels? How do we see people more like God does?

When Jesus describes righteous people who do not need saving, is he referring to righteous people or to people who don't realize they need his salvation too? How can you guard against complacency in your life?

How does it make you feel to be reminded that you matter so much to God that He's willing to find you as the one sheep that's wandered from the pack?
