*Matthew 18:21-35*

---

### **Getting started**

How quick are you to get angry when driving?

### **Discussion**

*Read the passage and answer the following questions as a group.*

In what ways does failing to forgive tear us up internally, externally, emotionally, mentally, etc.?

When we don't forgive each other, what are we communicating to God? To them?

How can this group support you in forgiving people for whom you store anger?
