Parables: The Workers and the Vineyard

Matthew 20:1-16

Getting started

Tell of a time when you did a lot of work and got paid little (or nothing)?

Discussion

Read the passage and answer the following questions as a group.

Do you ever find yourself wanting God to be fair with others, while forgetting that His decision to love us isn't fair?

How does worrying about what is fair affect you? How could it come back to bite you?

The workers were all going to be paid a fair wage. But the ones who worked longer felt like they should be given even more. How does having a sense of entitlement hurt the Church?
