

Lincoln Avenue Family, There are no words to express my gratitude for all the support and prayers during my moms illness and passing. Thank you from the bottom of my heart to all of you who have reached out through text, calls or just a hug to make me feel better. Also, thank you to those who brought food, sent flowers and cards. An extra special thank you to the bereavement team and those who helped serve, for the delicious meal following moms service. It does not go unnoticed and I will never forget your love and kindness. You all made the hardest day of my life a little more bearable. I love you all very much. God truly blessed our family when He sent us to Lincoln Avenue.
