Prayer Breakfast Success!

People gathered on the morning of January 27 to fellowship, to feast, and to pray for the mission of Simple Matters in Honduras. All in attendance enjoyed a breakfast of pancakes, breakfast meats, scrambled eggs, grits, and biscuits as they learned about how children are being served by Simple Matters in the areas of medical care, nutrition, and education.

Steve Doyle presented an informative session about the work of Health Matters in Honduras, providing well baby and well mommy care. Results from the last two years of work have shown marked improvement in the health of children served through Health Matters. New mobile clinics are planned to be launched in 2018. Exciting things are happening, and those in attendance got to hear about these ministries firsthand.

Thanks to all those who attended. If you were unable to join us, you can still see the presentation from Health Matters below. See what Simple Matters is doing to be the hands and feet of Jesus to the least of these.

Our Partners..... serving children in Honduras

Help us increase awareness of our work by using the social share buttons below. Share on Facebook, forward to interested friends. Awareness is the first step to being involved in change!

*Simple Matters.....
doing for one
what we wish we could do
for everyone.*

When we first saw the vision of Simple Matters seven years ago, we knew we could trust God to make HIS plan happen. And He has accomplished that plan! Children at Camp Betel have monthly medical care. Scholarships are given to children who need help with their educational expenses so that they can continue with their schooling, giving them opportunities to escape the poverty they now know. Babies receive immunizations at birth, and families hear and experience the life-changing word of God.

Our dream at Simple Matters is to extend this kind of care to other children in other villages in Honduras. On our 2017 trip, we worked with people at Renacer Church in Tegucigalpa, and with the people of El Naranjál, La Meza, and Camp Betel. Mario and Keila are our contacts who work as home missionaries in their country. Working with Mario and Keila year after year, we are aware of areas of great need. Simple Matters now partners with with Mario and Keila in their ministries with children in the village of El Naranjál and surrounding villages through the Cookie Project and Health Matters.

The needs are great and have been identified. We have partners "on the ground." Funding is where we need your help. Awareness of the great need is foundational. If you are already a monthly donor to Simple Matters, we thank you from the bottom of our hearts for your care for the least of these. If you don't already participate in giving, please consider how you might be able to commit to giving regularly to Simple Matters. Please share this newsletter with your friends and family. Who knows how God might touch the hearts of those He is already moving to help His children? Click on the buttons below.....
