First Baptist Centerton “App” is Still Available

Our online-giving partner, **PushPay**, has helped us develop our own free iOS and Android App that includes sections providing easier access to our sermon audio files, directions to the church (for guests), connection tools for prayer requests and calendars, online giving and more. If you need help with the apps, you may wish to call the church office at **479.795.2591** and we will walk you through the process. Online giving is one way to express your commitment to biblical stewardship even when you are away from home when the church meets for worship.

Watchman Prayer Ministry

Even when our church is scattered between meetings for study and worship, we have a group of prayer warriors who want to know how they can pray for needs expressed by our brothers and sisters in Christ. If you have an email address, and would like to be a part of this group of prayer warriors, we would like to add you to the Watchman Prayer Ministry group on CCB. We average about a prayer request daily from folks who have contacted the church office with their needs. To become a part of this ministry, simply email pam@fbccenterton.org and tell Pam Varnell you would like to receive Watchman Prayer notices by email. When you receive a prayer message from the church, we ask you to call out that request to the Lord as you go about your daily duties. If you have a prayer request, you may email it to Pam or call the church office at 479.795.2591.
