Guest Artist: Brock Gill

While working at a sawmill as a young man, Brock felt that God wanted him to use illusions, escapes, and stunts to bring a message of hope to people. "Brock admits, "I just felt like it was what God was calling me to do." Understanding that people today have short attention spans and a desire to be entertained visually, he has learned how to grab an audience quickly and keep them on the edge of their seats. Brock's message for Christ is clear and effective. He has seen God touch thousands upon thousands of lives through his ministry.

Brock has released four full-length DVDs. His latest DVD "Alive On Stage" is the most unique and fun project to date and is also available to watch on Hulu. The videos are designed to be practical evangelism tools, because they always feature a Gospel presentation.

Brock has shared the stage with many well known speakers, worship leaders, & artists such as Franklin Graham, Luis Palau, Newsboys, Toby Mac, Audio Adrenaline, Third Day, Mercy Me, Casting Crowns, and others.

One thing is for certain—a Brock Gill show will be a memorable experience through his grand illusions, death-defying stunts, subtle comedy, and unique presentation of the Gospel.
