## OPERATION CHRISTMAS CHILD

Christmas 2025 as we know it is in the rearview mirror but for Operation Christmas Child things are just beginning as all those boxes are now on their way to places all over the world. The goal is to serve 12 million children with these shoeboxes with the prayerful expectation of teaching each one about the saving grace of Jesus.

Donnie and I were able to assist with box processing at the Atlanta center, where an impressive one million boxes had already been handled. Each center aims for a daily target of 100,000 boxes. On December 18th, the final carton was processed in Atlanta. Volunteering at a processing center is highly recommended—it's a transformative experience!

# CHILDREN'S MINISTRY

*It's a joy and an honor to serve and teach your children each week. They have hungry minds and it's amazing to watch them learn and grow in the Lord.*

*We need you! If you are interested in becoming a volunteer in the children's ministry, please contact Cassidy Callaway at [children@gracefellowship.ws](mailto:children@gracefellowship.ws) to get plugged in or to ask any questions.*

## KIDS COVE

Our February unit for Kids Cove is 'I Spy'.

I spy with my little eye – I spy down low, and I spy up high! This month the kids will need to put on their looking eyes to look high and low for the hidden Bible story objects during large group. Once found, each object will help tell a portion of the lesson. It's an eye-opening experience that teaches kids to follow and obey Jesus, our all-powerful Savior!

## KIDS @GRACE

This month will start with Lord's Supper Sunday on February 1, so we will not meet for Kids@Grace. You can find resources for this at the back tables in the worship center! When we return to class on February 8, we will learn that Jesus promised to return in glory and power, and what God has planned for the earth, believers, and unbelievers at the end of time. At the end of February we will start this curriculum over again! This is a great time to join us if you haven't already- we will be laying the foundation of the Christian faith from now until May before we dive into Genesis. If you have a child in 1st -4th grade who is not yet plugged into Kids@Grace, please feel free to come with them to class at the dismissal announcement! You can also contact Cassidy Callaway at [children@gracefellowship.ws](mailto:children@gracefellowship.ws) to get them set up and ask any questions. Reminder: Kids@Grace offers a Sunday school class as well, from 9-10am. If you would like your child to be in this class, stop by the kid's check-in desk to be directed there.

# ELDER UPDATE

## The Elder Communication for the February 2026 Newsletter

The Elder Council met twice in January. On January 13, they met to consider the proposed budget. On January 20, they met in their regular monthly meeting. Following opening prayer and devotion, one of the elements included in every meeting is to remind ourselves of the church's mission statement: *"Grace Fellowship exists to glorify God by bringing people into a life-changing relationship with Jesus Christ."* This simple act grounds us in our purpose.

In our January 13 meeting, the Elders first dealt with an urgent benevolence request. When a need exceeds the authority of the Benevolence Team, it can be brought to the Elders for action. Once the Elders approved meeting the need, their focus shifted to refining the proposed budget, specifically focusing on some reductions, consideration of cost of living increases, and consideration of making an additional contribution to the Cooperative Program of the Southern Baptist Convention based on the level of faithful giving in 2025.

Final decisions from both meetings included the reduction of some costs where these reductions would not hinder ministry, the addition of 2.8% cost of living bonuses to most staff, and a motion that will be presented to the church for \$35,000 to be moved from the general operating account to the designated Missions Fund. That money will then be sent to the Cooperative Program to be added to the \$50,000 budgeted and sent during 2025. The net effect is that our church will have given \$85,000 (8% of undesignated giving last year). This will be used for missions and the education and training of pastors and ministers.

God has blessed us with faithful givers who have enabled Grace Fellowship to accomplish so much each year. The Elders deeply appreciate the faithfulness of God's people and the efforts of our Finance Team!

As always, the Elders set aside a time of discussion for the known prayer needs of our membership, as well as the needs of each elder. Following this, Pastor Jimmy prayed for the names and needs as well as the Elders and his family.

The Elders were updated on the pavilion repairs. We are grateful for a generous donor who not only covered the cost of the repairs but was essential in getting a plan together to make the pavilion a safe place to use for many years to come. Additionally, the Elders were brought up to speed on the repair of the windows in the church building. The process is underway and should be completed soon. Other projects were discussed and will be scheduled in the coming months.

The next scheduled Elder Council meeting is February 17. If there are any issues that you would like addressed, please contact any of the elders to request it be placed on our agenda.
