

Lesson 1

Dear Parents,

Hello again! We just started a new series on what Jesus had to say about our future. This week's lesson was a really awesome time of fellowship and learning. The lesson was entitled "Life Eternal" and it focused on helping students understand that a forever-future with God is found through faith in Christ.

We looked at the following Scripture passages:

- John 3:1-18

This is a great passage that clearly tells us what must happen for us to have a relationship with God and spend eternity with him.

Next Steps . . .

During the next week as you have time to talk with your teenager, consider asking the following questions:

- You talked a lot about how our sin has separated us from God. How does this make you feel? Do you think much about how your sin has impacted your relationship with God? (Share your own thoughts here.)
- You also talked about the fact that God loves us so much that He gave his Son so that we could have a relationship with Him. How does that impact how you think about God? What does it tell us about His character?
- At the end of the lesson you had a chance to respond to some questions about your relationship with Christ. Can you share what you wrote with me? (This is an awesome opportunity for you to answer those questions with your child. You're essentially getting the opportunity to share your testimony with your child.)

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
