Ministry teams are important because they allow people to work together using their unique gifts and talents to serve others effectively. By sharing responsibilities, supporting one another, and pursuing a common mission, ministry teams help strengthen the church, build relationships, and create a greater impact than individuals can achieve alone.

To help our church family better understand and appreciate the many ways God is at work through our ministries, we are launching a weekly Ministry Spotlight. Each week, we will highlight one of our ministry Teams (previously known as Committees) or a stand-alone ministry, sharing its purpose, activities, and opportunities for involvement. Our hope is to increase awareness, celebrate those who serve, and encourage others to discover ways they can use their gifts to support the mission of our church.

Let us explore our **Lord's Supper Ministry Team!**

What is their primary purpose? Their primary purpose is to assist the pastoral ministry in making the observance of communion a meaningful experience of worship for all those who participate.

How does this Team support the overall mission of FBC Cochran? Their mission is to lead people into a growing relationship with Jesus Christ.

What ministry accomplishments may be unknown to our church? Over the years at FBC the many different Lord's Supper services we have had are some of the most memorable worship experiences. There have been "traditional congregational" services with the silver communion ware in a more formal setting. There have also been more quiet, intimate services that a family can worship together at a "drop in time" during holidays on a more personal level. The Lord is pleased with the sincere hearts that are offered to Him during each of these times of worship, whether we partake from a woven basket of bread or from a silver bread plate…from a cup served from a silver tray or bread dipped in juice from a wooden cup.

What is something people may not know about this Team? Since this team is limited to deacons who have completed their 3-year term of service and their wives, it is different every year. When the new deacon terms begin in January, the seven deacons who have fulfilled their ministry term are automatically designated (with their wives) to serve as the Lord's Supper Ministry Team for that year.

What are some current projects or goals the Team is working on? They will be meeting soon to polish the silver and make sure everything is ready when it is needed again.

What does this Team find most rewarding about serving in this ministry area? From one of the Team members: "It is always a joy to see God's people come together in worship and remembrance of the One who has made a way for us to be forgiven of our sins and the promise of eternal life with Him."

How can the congregation pray for this Team? That they would assist the pastoral leadership in behind the scenes ways to accomplish its purpose.

Who serves on this Team? Trey & Lori Belflower, Todd & Shanna Dupree, Jed & Shanna Evans, Charlie & Marian Keen, Clay & Millie Oliver, Duane & Pebbles Pittman, and Don & Ramona Giles
