Ministry teams are important because they allow people to work together using their unique gifts and talents to serve others effectively. By sharing responsibilities, supporting one another, and pursuing a common mission, ministry teams help strengthen the church, build relationships, and create a greater impact than individuals can achieve alone.

To help our church family better understand and appreciate the many ways God is at work through our ministries, we are launching a weekly Ministry Spotlight. Each week, we will highlight one of our ministry Teams (previously known as Committees) or a stand-alone ministry, sharing its purpose, activities, and opportunities for involvement. Our hope is to increase awareness, celebrate whose who serve, and encourage others to discover ways they can use their gifts to support the mission of our church.

Let us explore our **Men's Ministry!**

What is their primary purpose? To equip men of all ages to grow spiritually through sound Bible teaching, prayer, and meaningful relationships, building a brotherhood that strengthens our families, our church, and our communities.

How does this Team support the overall mission of FBC Cochran? By helping men grow spiritually and equipping them to lead others into a growing relationship with Jesus Christ

What ministry accomplishments may be unknown to our church? Our Tuesday Morning Men's Group is been meeting for 30 years. We have an early spring Bible study for men's small groups and we hosted a community leaders prayer breakfast during the Bible Reading Marathon.

What is something people may not know about this ministry? This is an ageless ministry! Men of all generations are welcome to connect, learn from one another, and grow together in Christ.

How can church members get involved with the Ministry? Contact the FBC office for more information, and be on the lookout for our late-winter kickoff event for the spring Bible study. Men of all ages are welcome!

What are some current projects this Ministry is working on? They are planning a spring Bible study to help men grow in their faith, build meaningful relationships, and encourage one another in their walk with Christ.

How can the congregation pray for this Team? Pray that men, young and old, will answer the call to become involved in this ministry, supporting and mentoring one another as they grow in faith. Pray for wisdom and unity as this Team builds relationships and encourages men to follow Christ.

Who should people contact should they want more information or want to serve? Don Giles
