MISSION GEORGIA
MISSIONGEORGIA.ORG

Ministry teams are important because they allow people to work together using their unique gifts and talents to serve others effectively. By sharing responsibilities, supporting one another, and pursuing a common mission, ministry teams help strengthen the church, build relationships, and create a greater impact than individuals can achieve alone.

To help our church family better understand and appreciate the many ways God is at work through our ministries, we are launching a weekly Ministry Spotlight. Each week, we will highlight one of our ministry Teams (previously known as Committees) or a stand-alone ministry, sharing its purpose, activities, and opportunities for involvement. Our hope is to increase awareness, celebrate those who serve, and encourage others to discover ways they can use their gifts to support the mission of our church

Let us explore our **Grief Meals Ministry Team!**

What is their primary purpose? This team serves bereaved families connected to our church by providing a meal on the day of the funeral. Through this act of hospitality and care, the ministry offers comfort, support, and a tangible expression of Christ's love during a time of loss.

How does this ministry support the overall mission of FBC Cochran? Their ministry supports the mission of FBC Cochran by demonstrating Christ's love through practical acts of care and compassion. They are able to serve by showing love and support at a time when families are brought together during a time of loss of a loved one. Though it is a simple act of service, it is a meaningful way to show God's love and the support of our church family to both our members and our community during a difficult time.

How can church members get involved? Church members can support this ministry by preparing and providing a dish whenever a meal is served to a bereaved family. Each contribution helps lighten the family's burden and demonstrates the love and care of our church family during time of need.

What do team members find most rewarding about serving on this ministry team? “One of the most rewarding aspects of serving on this ministry team is hearing family members, especially those who live outside of Cochran, express their appreciation for the meal and the fellowship provided by our church. Knowing that this simple act of kindness brings comfort and helps families feel loved and supported during a time of sorrow is a meaningful reminder of the impact our church can have through serving others.”

Who should people contact if they would like more information or want to serve? Any of our team’s members: Linda Dykes, Jan Evans, Gloria Harrington, Carolyn Kitchens, Carol Sikes, Jan Smith, & Patsy Washburn.
