

Pk's Perspectives ... Baptist History 101

Let's learn some stuff this week! As you know, our church is first and foremost a gathering of Christ followers who seek to encourage one another in our personal spiritual journeys and in our Great Commission calling. (Matthew 28:19-20) Yet we are also voluntarily associated with other like-minded churches and it's important that we know of these associations and their importance.

Take the following quiz FIRST — do not search Google for the answers. AFTER you mark your answers, use the internet to find out how many you got right/wrong, and then read up on the subject of the question. Let me know if you get a perfect score.
