

Pk's Perspectives ... Casting Vision

At our Quarterly Conference this past Sunday evening, the Master Plan Committee presented a recommendation to the church body for accomplishing major upgrades to the ministry infrastructure of our church over the course of the next 12-24 months. The recommendation was not presented for a vote – it was presented as information for prayer and discussion. A special called conference will be held in the near future for the purposing of affirming or declining the committee's recommendation. Following is an outline of the Master Plan Committee recommendation; a copy of the proposal in its entirety can be obtained at the church office or the welcome desk in the main lobby.

I want to thank the members of the Master Plan Committee for their prayerful thoughtfulness in preparing this challenging recommendation. The members of the committee are Shane Savant (Chairman), Lori Bellflower, Jed Evans, Ramona Giles, and Sammy Haupt. I encourage you to secure a copy of the recommendation in its entirety. Read it; study it; seek out a committee member for answers to questions. Keep in mind that it is the ministry of this committee to cast a vision (the big picture); many of the details will be worked out and presented to the church as we work through each priority of the recommendation.
