

PK's Perspectives... FCA Worship Service

Summer offers us some grand ministry opportunities. Last week we had a great week of VBS here in Cochran while a group of our short-term volunteer missionaries spent a week serving in Uganda and two days ago we sent 14 more short-term volunteer missionaries to Decatur to work on a Bold Mission Builders project. Grand opportunities, indeed!!

On Wednesday night, June 20th (next week!) we have incredible one-night opportunity to be involved in hands-on ministry. BCHS is hosting a two-day football camp on Wednesday/Thursday of next week and Coach Lassiter asked if our church would be willing to host a worship service on Wednesday night for the players and coaches of the teams participating in the camp. We had to think for maybe three seconds before replying, "Absolutely!!" So next Wednesday we will be hosting and sharing the Gospel of Jesus with 550 high school players/coaches. Here is the schedule for next Wednesday night – the 6:30 start time is firm, all others depend on how quickly we're able to process the players through food lines, etc.

- 6:30: Teams arrive and we will be feeding them pizza, brownies & cookies, and water... lots of water!

- 7:15: Approximate start time for the service, which will take place outside in the parking lot. Our Praise Band will be leading the music portion of the worship service. (Neither the Sanctuary nor the Fellowship Hall can seat 550 people which is why the service is outside)

- 8:30: Following the service, the teams will split into two equally sized groups and proceed to the Sanctuary and Fellowship Hall to watch the movie "Woodlawn". On their way to the Sanctuary/Fellowship Hall, our guests will pick up a snack and drink.

- 10:30: Teams depart for their housing destinations.

How can you help serve? I'm glad you asked!! First – we need lots of warm bodies to help set up chairs for the outdoor service, serve food when the players arrive and again serve snacks as the players make their way to the movie viewing areas. Once the players make their way inside, we'll be taking down the folding chairs in the parking lot. If you're able/willing to place boots on the ground, we need you here by 6:00 and until the chairs are taken down and stacked.

Second, we need brownies and/or cookies. Lots and lots of brownies and cookies!! If you consider yourself a baker extraordinaire, making several batches of brownies and/or cookies and delivering them to the church by 4:00 on Wednesday would be wonderful. Our goal is to give at least two brownies or two cookies or one of each to every player. Being good @ math like you are, you already understand that we need 1,100 brownies and/or cookies!!!

I'll be talking about this mission opportunity on Sunday morning. I hope you'll consider rolling up your sleeves and helping out. I think it's awesome that God is bringing over 500 people from seven Georgia high schools to our doorstep to hear the story of His son Jesus! Cya in Sunday School & Worship, PK.
