

## *Pk's Perspectives ... The search for a new Music Pastor*

What do you know? Who do you know? First the what: you know that our church is searching for a full-time Pastor for Worship and Music Ministry; hopefully this is on your personal prayer list. Now the who: who do you know that might be interested in this position; or who do know that knows someone who might be interested in this position? You might very well know the individual that God is preparing for ministry in our church...and not even realize you know. So on behalf of our Personnel Committee, you are hereby deputized to share the following job description with anyone you know...and you never know how this information will make it to the person who is waiting to know!

- First Baptist Church in Cochran, Georgia, is prayerfully seeking someone possessing the musical, interpersonal, and administrative skills to build bridges of appreciation and familiarity between the classic and contemporary voices of worship in our church while also renewing ancillary music ministries such as handbells, children's choir, etc. The person filling this full-time position will need an appreciation for both voices of worship, possess choral directing skills, and have strong relational, organizational, and communication skills. Our church has a vision of weaving contemporary threads into the fabric of traditional worship and weaving traditional threads into the fabric of contemporary worship so the two voices of worship appreciate and have familiarity with the other, and collaborate well on the occasions of combined worship. Minimum requirements: A personal relationship with Jesus; Bachelor's Degree in a music related discipline; 5+ years of experience in a church music ministry setting.
