

Camp Widewater

Camp Widewater is nestled in the arms of the Maumee River and the fertile farmlands of Northwest Ohio. Experience 106 acres of gentle hills, new grasslands, old forests, and miles of beautiful, winding, walking/running trails offering views of God's creation that inspire a sense of peace, renewal, and "being home."

Come out to camp and see for yourself how God's love can be felt in the great outdoors. Harmony Lodge is the hub of Camp Widewater where groups of all ages and abilities gather for fellowship, worship and fun! You will sense Jesus more clearly, grow in your spirit, and leave more confident of your God-given-gifts than ever before.

New discoveries within the familiar occur all the time: how can a plant have two kinds of leaves? What does that mean? What is God trying to tell me with this? What is a spittlebug? The 106 acres of woods, hills, and fields at Widewater are teeming with clues about the nature of God and God's plan for our lives.

Passionate worship, prayer, and witness is shared in the whole-camp as well as small-group settings. We'll share our stories, hear inspirational messages each day, and learn more about walking with Jesus.
