

Penn-York Camp's Response to COVID 19

As always, the safety of our staff and those who are utilizing the camp facilities is of the utmost importance to PYC. We make sure that all our buildings are thoroughly disinfected after each use and are continually monitoring this situation and taking action accordingly. If you have any questions on the steps that we are taking to protect you, please contact us.

How COVID 19 may affect a **Guest Group** reservation:

- PYC will be following recommendations given by the CDC and PA Department of Health.
- PYC is reserving the right to cancel any reservation for use of the facilities, or to turn down a requested reservation.
- PYC will refund in full any canceled reservation. (whether canceled by the camp or by the group leaders)
- PYC will not penalize a group for coming with less people than they were contracted for.

How COVID 19 may affect upcoming **PYC Events**:

- PYC will be following recommendations given by the CDC and PA Department of Health.
- If an individual feels the need to back out of an event at PYC due to COVID 19 concerns, PYC will refund any money that has been paid towards the event.
- In the event that PYC has to cancel an event, payees will be refunded in full for any money that has already been paid towards the event.

How COVID 19 may affect **Summer Camp**:

- While we are watching this situation closely, we currently believe it is too early to know how COVID 19 will affect summer camp. We are encouraging parents to still sign their kids up for camp.
- PYC will be following recommendations given by the CDC and PA Department of Health.
- If a parent feels they need to cancel their child's week of camp due to a reason related to COVID 19, PYC will refund, in full, any money that has been paid toward that week of camp.
- In the event that PYC has to cancel all summer camps, payees will be refunded in full for any money that was paid towards summer camp.

If you have any questions or concerns, please contact us.
