

Little Hearts Preschool is pleased to announce the return of the art enrichment program, Abrakadoodle!

What is Abrakadoodle? Since 2002, Abrakadoodle has engaged kids with creative art classes for kids, fun themed summer art camps, holiday art camps, art parties and special events such as art activity days, school art assemblies and other programs. We bring our Academic Art Program to Charter Schools, Private Schools and Public Schools where we become the school's academic art program. Voted "Best Art Class to Inspire Your Child's Inner Picasso," we have inspired more than One Million Kids around the world.

What to expect from the program? Mini Doodlers gleefully create their own masterpieces using a wide range of quality art materials. Mini Doodlers in our Preschool Art Classes develop skills important for school success such as fine motor skills, language, cognitive skills and the ability to listen and follow directions in our enchanting environment. Mini Doodlers develop: school readiness skills, new language, brain power, creativity, imagination and more!
