Hannah: A Picture of Grace

1 Samuel 1-2

Pastor Paul Klein

I. Hannah's Three Loves...

A. Love for her husband

B. Love for God

C. Love for her Family

"The life and future of a nation depends on the character of the home"

"Father God, thank you for my children, I know they are a gift from You. Daily I need your strength and wisdom to set boundaries for them, and yet encourage them to explore. Please give me patience and a grace-filled heart; let me be an example of your love and forgiveness. Empower me by your Holy Spirit to help them grow in faith, hope, and love, so they may know and experience You. Thank You, Lord for the blessing of being a parent. In Jesus' name, Amen."

MISSIONARY MOMENT - Adam & Gina Guyer / Solid Rock Outdoor Ministries (SROM)

Moving to Laramie Why are we still in Denver if we are joining SROM in WY? Great question. We have been working hard to find a place to live in Laramie. The biggest hurdle has been financing. We've been to Wyoming to look at houses twice and there have been some interesting options but they all have their quirks. A big thing for us right now also is figuring out financing. While a local credit union is willing to finance us, they are asking for 20% down. That limits us greatly if we only use our own funds, but more importantly we would have little emergency savings left. A big prayer now is looking into one other financing option that may allow us only a 5% down payment. Otherwise we will probably look to rent. The housing market is starting to increase so there is potential to find a house. Please be praying for financing wisdom and for a clear home choice when it arrives. We are praying to move into a house that will allow us to have guests stay with us and be a blessing to SROM's summer instructors. God is good, and able to meet all our needs, may we stand firm in that truth. **Why SROM** You may wonder why God is calling us to serve with SROM. The outdoors are great and we love adventuring into it, but that is not the main reason. SROM understands the importance of making disciples and we share that passion. Life is full of distractions and busyness that can create hurdles in our faith and relationship with God. SROM knows this, and sees throughout the Bible that God takes people into the wilderness to struggle and strengthen their trust and dependence on Him. God has lead us into similar places and those times have been truly life giving though they were not easy at the time. Through it all, God has whispered to us that he desires for us to disciple others. SROM knows the power of the wilderness and importance of discipleship and community. We believe that everyone can benefit from getting out into God's creation to be tested and to find their dependence in God's strength just as Jesus did. God is good, and he loves us deeply and longs to heal our wounds and give us joy. Remember that everyday. **PRAY** We need your prayers! We are taking some big steps of faith and having a team of prayer warriors is such an encouragement. Pray for us to be intentional with our time, God's provision for a home in Laramie, for unity in our marriage (date nights!!), for continued stamina with Ayanna's health journey, grace as we try to finish well with homeschool and solid rest as we walk through so many transitions right now. **Be sure to visit our blog for updates and how you can be part of our ministry:** asthejourneycontinues.wordpress.com
