

## Athletic Photo Release Form

As a participant in the MLCA-CCS Athletic program, your child is a public representative of both Moses Lake Christian Academy and Covenant Christian School. As such, photographs of your child as part of the team and participating in sporting events may be used by both schools in a variety of venues including social media. This means, all other media release agreements with said schools are void while your child is on the court/field or acting as a member of the team.
