# HIGH SCHOOL ELW OPTIONS

## BACKCOUNTRY IDAHO TRIP

Participants in the BackCountry Idaho trip will experience what it is like to live in the backcountry. Students will live for 5 days with a backcountry outfitter without electricity, learning how to do numerous skills, which could include: bait bears, trap beavers, shoe horses and live off the land.

The dates for this trip are March 23 to the 28th. Approximate fee: \$900.

## SERVE MOSES LAKE

High schoolers who wish to have a local ELW experience can participate in the Serve Moses Lake Experience. The week will include a variety of activities serving the area community. Students will report each morning ready to participate in indoor or outdoor service activities. Approximate fee: \$15.

## GUATEMALA MISSION TRIP

This trip is open to high school students and 8th graders. It is organized through “Mission Discovery,” an organization we have worked with in years past.

Participants will work on manual tasks, interacting with locals and also helping with VBS-style children’s programs.

They will stay in a hotel setting, with 2-4 to a room, each with a separate bed. It is located in Antigua, Guatemala and is known to be an experience that changes world views and deepens faith.

The dates for this trip: Departing March 23rd and returning March 30th.

We need at least 25 participants, so parents and grandparents are welcome to join this trip. Approximate fee: \$2,000.
