

BEHOLD HE COMES

VERSE 1

A kingdom will come that shall not end
Where light owns the dark and hope will win
The empires of evil will no longer stand
They'll tremble defenseless before the great "I Am"
The king is alive, He's on the move
He'll vanquish His foes and hell will lose
Injustice will flee from the flash of his soar
And there'll be no question that Jesus Christ is Lord

CHORUS

Behold He comes, the risen one
Salvation is coming
Behold He comes, the shining son
Redemption is calling
Behold the lamb who overcomes
Heaven's champion, seated on the throne
Just hold on
The King is surely coming

VERSE 2

The great day shall come, our jubilee
Confetti will soar on golden streets
Hark angels and merry, our tears wiped away
Standing in glory, at last we'll see his face

BRIDGE

Every tribe, every tongue, every heart, every soul
Will crown You, Lord of all
Crown You, Lord of all
Every knee bows before, angels sing, saints adore
And they'll crown You, Lord of all
Crown You, Lord of all

HE IS RISEN

VERSE 1

Deaths dominion
Has come to the end of its reign
Death has died now
No morning will come to it's aid
For the son lives
Never to give up his reign
The dead in Christ will
Rise up though they are slain

CHORUS

He is Risen is my courage
He is risen is my honor
No longer I who live
But Christ who lives in me
It is finished is my anthem
It is finished is my plea
No longer I who live
But Christ who lives in me
No longer I who live
But Christ who lives in me

VERSE 2

Knower of our weakness
Perfection in all our decay
Terror of demons
Who shakes all the graves w his name
Ageless wisdom
Striped shepherd and fullness of days
Bankrupter of our tombs
Has championed out the way

BRIDGE

Come famine sword or nakedness
My hope has conquered all this world
For fullness, peace and righteousness
Will come for those who look above
Come famine sword or nakedness
No grave can cover up our God
For fullness, peace and righteousness
Flood forth for those who look to Christ

ALL WE SINNERS

VERSE 1

On yonder hill, the darkness flew
The morning broke in light and dew
When day had come again anew
All we sinners sang
In muck and mire our wretched souls
Had fallen to the depths below
Hell deserved, but there was hope
All we sinners sang

CHORUS

Saved, we are saved
The gates of heaven wide open
Saved, we are saved
The keys to the grave have been stolen

VERSE 2

What could ever pay the cost?
On Calvary's hill there rose a cross
And could it be that evil lost?
All we sinners sang and all we sinners sang

VERSE 3

The crimson river, like a flood
Came washing over all of us
It swallowed sin and death right up
And all we sinners sang
Yeah, all we sinners sang

VERSE 4

On yonder hill, where darkness flew
The morning breaks in light and dew
Day has come again anew
All we sinners sang
