## Family Ministry

This Focus Group is a 6 week course that will help you discover how your marriage can thrive and be more fulfilling than you ever thought possible. Based on the “Love Bank” model from the book, *His Needs, Her Needs* by Dr. Willard Harley, you’ll learn how communication and behavior styles affect the way you and your spouse act and react to each other.

Through an interactive learning process, you’ll identify behaviors that may be damaging your marriage, develop healthy ways to deal with marital conflict and take concrete steps to meet each other’s needs better than you ever have before.

**Facilitators: Cesar and Jennifer Lopez**
