ABOUT THE PROGRAM

Village Bible Talks desire is to strengthen families with young adult teens. Using a cross-generational approach, those participating will experience the following: Moms and dads learn and aspire to be model mentors through authenticity. Young adult teens see the need to connect with older adults to mentor them. Not-Yet-Adults feel included and valued. Where one-parent kids feel that they can have two-parent relationships. Each generation tells their story, by celebrating diversity, community, and God.

Village East includes the following high schools: Granada Hills, Daniel Pearl, Discovery Prep, Lake View, Hamilton, Cleveland, Oak Park, Kennedy and Van Nuys.
