## **1 INTRODUCTION**

When you received Jesus Christ as your Savior, 1 Corinthians 2:10-15 declares that you now have a new ability!

Now, you can begin to understand and comprehend Scriptures like never before. This is accomplished through the illuminating work of the Holy Spirit.

The Scriptures are the source of truth that not only have taught you about the Gospel message, but also helps us know our great God more. This study is designed to give you a greater reverence for God's Word and also equip you to use the Scriptures more effectively in your life.

## **2 GOD'S WORD: THE ONLY SOURCE OF AUTHORITY**

The Word of God is to be the one and only source of authoritative truth by which man lives his life.

- From where do people in society typically get advice for living, for relationships, for what to think on certain issues, for how to handle trouble, for where man originated, etc.? In other words, to what sources of "truth" does society listen?

People use all kinds of sources of truth:

- Reason
- Experience
- Tradition
- Science
- Feelings

### **3** INFALLIBLE SOURCE OF TRUTH

Not only is the Word of God the exclusive source of authority, but also an inerrant and 100% accurate source of truth!

2 Timothy 3:16 says "*All Scripture is inspired by God.*"

Inspired literally means "breathed out by God." Thus, the Scriptures have been directly "exhaled" from God.

Realizing that they are from God, remind yourself of some of God's characteristics by recording what the following passages say about God.

- 1 John 1:5

- Numbers 23:19

✎ Psalms 31:5

✎ James 1:17

Many people believe that only parts of the Bible are "inspired."

Which view below fits best with 2 Timothy 3:16?

✎ CIRCLE the correct answer.

- Only the parts of the Bible that deal with salvation and spiritual truths are inspired.
- Everything but the historical records is inspired.
- Everything but the miracles is inspired.

- Everything from Genesis 1:1 to Revelation 22:21 is inspired.

READ 2 Peter 1:16-21 and answer the following questions.

✎ What is "more sure" than extraordinary experiences perceived by our senses?

Approximately 39 men of God wrote the Scriptures under special inspiration over a period of 1500 years.

✎ Who specifically guided these men so that what they wrote was inspired by God?

As we study God's Word what are we to keep in mind (v. 20)?

## 4 SUFFICIENT SOURCE OF GUIDANCE

Finally, in addition to being the exclusive and inspired source of truth, the Word of God is also ALL that we need for life and godliness.

## **5 THE BELIEVERS USE OF GOD'S WORD**

### **A. HEARING GOD'S WORD**

READ Hebrews 11:6

- ✎ What are some actions you can take to make sure you are regularly hearing the Word of God?

### **B. READING GOD'S WORD**

As you read ask yourself these questions:

- To whom is the passage speaking?
- What is the circumstance?
- What does it tell me about God/Christ?
- Are there sins I should confess/avoid?
- Are there promises to claim?
- Are there items that I don't understand which I need to study to find answers?
