

WHY CAMP?

Life can feel like a steep climb—school pressure, family stuff, friendships, and questions about who you really are can weigh you down. ECCI 2026 is a chance to catch your breath, find solid footing, and remember you don't have to climb alone. At camp, we climb toward Higher Ground **together**—laughing, praying, asking real questions, and discovering God's presence in the highs, the lows, and everything in between. Climbing to Higher Ground isn't about being perfect; it's about growing strong, finding hope, and realizing you're already loved right where you are.
