

Rector

Carbondale, Illinois

Job Title

Rector

Name of Church or organization

St. Andrew's Episcopal Church

Location

Carbondale, Illinois

Job Description

We are an active, dedicated parish community focused on worship, prayer and study. We value worship in the Anglican tradition, but we also appreciate sermons which connect the week's Gospel to our daily lives and a priest who calls us to examine our faith. Under the guidance of our most recent priest and a new bishop, we have made changes to involve more parishioners in the life and work of the church and we've set off to see where our faith leads us... both in our lives and in our community. We are seeking to call a full time rector to lead and accompany us down this path.

Carbondale is the largest city in Southern Illinois. The rolling hills and sandstone bluffs of the area are a world away from the flat plains of Central Illinois. We are well away from the sprawl of Chicago but only 2-3 hours from St. Louis, Nashville and Memphis.

As home to a large university, Carbondale's diversity also makes it different from most of Southern Illinois and from the Diocese of Springfield.

Type of Commitment

Full time

Does this job pay?

Yes

Application Process

Send OTM Profile, cover letter and resume to The Reverend Canon David Wells, Transition Officer for the Diocese of Springfield at: canon@episcopalspringfield.org
