

**Who are the religious elite:**

- 1) They are in \_\_\_\_\_.**
- 2) They \_\_\_\_\_ one thing, yet \_\_\_\_\_ another.**
- 3) They put up \_\_\_\_\_ between people and God.**
- 4) They do what they do for \_\_\_\_\_ appearances.**
- 5) They want to be \_\_\_\_\_.**

**If being Christian is about being \_\_\_\_\_, and our main tenant and goal is for everyone to be \_\_\_\_\_, or at least look \_\_\_\_\_, then we have missed the \_\_\_\_\_ message.**

**Because when we put our emphasis on being good, we fall into a \_\_\_\_\_: that when we fail, we then at least try to look good, cover up our failings, and make ourselves feel better by looking down on others who can't cover their failings like us.**

**So who are you in this story?**
