

**Our first colossal lesson from the book of Colossians is this: It's all about Jesus.**

**Our question today is this, "Is this our view of Jesus?"**

**Are our lives really all about Jesus?**

**It is all about Jesus not only in our individual lives, but also as we gather as the church.**

**If we come together as a church and expect less than Jesus, we will certainly get less.**

**Why is it all about Jesus?**

**It's all about Jesus because God has designed our very lives around him.**

**Jesus is the seminal point of all that God is doing.**
