

What is agape? It is an unconditional, sacrificial love born out of grace. This love has been shown to us by God through Jesus Christ.

We need Jesus to show us how to love.

As we lay down our lives for one another, we not only experience love, but we live love, and as we live love, we find that love is what we are made for.

But to truly love in this way, we have to be willing to sacrifice, to do without, to suffer for someone else, to be accountable for the well being of others.

Our love, as it is put in action, should never be about us, but about the others around us.

Are we looking to the cross not just as God's grace given to us, but even more, as God's grace working through us to reach others?
