

What is agape? It is an unconditional, sacrificial love born out of grace. This love has been shown to us by God through Jesus Christ.

In saying “God is love,” John is not trying to describe God, rather, John is trying to describe love.

How do we know love? Look to God. How do we know God? Look to Jesus. We see true love through his sacrifice on the cross.

Love is the laying down of our life, bending our life to another, giving 100% to another.

So how do we love in this way? We must be people of grace.

For us to love, we have to live in God’s grace first, and then share grace with others.
