

# Ordinary Saints: Our Cloud of Witnesses

## Hebrews 12:1-2

**We do not live lives alone. The people who intersect our lives influence us in profound ways.**

**If we are a person of faith, it is because of God's grace that is shared with us by our cloud of witnesses.**

**Who has God placed in your cloud of witnesses?**

**One of most beautiful things about faith is that God has called us to encourage one another.**

**As we mature in our faith, whose cloud are we in?**

**God equips us to be witnesses for each other, so that we can draw on the strength of one another as we run our races together.**
