

He is Lord

Again the wind is raging
But I will not be shaken
For I know, who's in control

The greater One within me
Is more than what's against me
He's in control, for I know

He'll see me through like before
He is Lord, He is Lord
I'm not afraid anymore
He is Lord, He is Lord

The One who holds tomorrow
Is calling me to follow
Heart and soul, I will go

The Maker of the promise
Will finish what He started
Heart and soul, I will go

And at His name the mountains bow
Lift every voice declare it now
Jesus Christ is Lord
And with a shout the walls come down
Lift every voice declare it now
Jesus Christ is Lord

How Deep the Fathers Love for Us

How deep the Father's love for us
How vast beyond all measure
That He should give His only Son
To make a wretch His treasure

How great the pain of searing loss
The Father turns His face away
As wounds which mar the Chosen One
Bring many sons to glory

Behold the man upon a cross
My sin upon His shoulders
Ashamed, I hear my mocking voice
Call out among the scoffers

It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished

I will not boast in anything
No gifts, no power, no wisdom
But I will boast in Jesus Christ
His death and resurrection

Why should I gain from His reward?
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom

Why should I gain from His reward?
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom

So Will I

God of creation
There at the start, before the beginning of time
With no point of reference
You spoke to the dark and fleshed out the wonder of light

And as You speak
A hundred billion galaxies are born
In the vapour of Your breath the planets form
If the stars were made to worship, so will I
I can see Your heart in everything You've made
Every burning star, a signal fire of grace
If creation sings Your praises, so will I

God of Your promise
You don't speak in vain, no syllable empty or void
For once You have spoken
All nature and science, follow the sound of Your voice

And as You speak
A hundred billion creatures catch Your breath
Evolving in pursuit of what You said
If it all reveals Your nature, so will I
I can see Your heart in everything You say
Every painted sky, a canvas of Your grace
If creation still obeys You, so will I
So will I, so will I
If the stars were made to worship, so will I
If the mountains bow in reverence, so will I
If the oceans roar Your greatness, so will I
For if everything exists to lift You high, so will I
And if the wind goes where You send it, so will I
If the rocks cry out in silence, so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times!

God of salvation
You chased down my heart through all of my failure
and pride
On a hill You created
The light of the world abandoned in darkness to die

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You, so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender, so will I
I can see in Your heart, eight billion different ways
Every precious one, a child You died to save
If You gave Your life to love them, so will I
Like You would again a hundred billion times
But what measure could amount to Your desire?
You're the One who never leaves the one behind
