

Dear Jesus,

The scriptures declare that you are our Creator, Sustainer, Redeemer and Lord. Through your precious blood shed at Calvary our sins have been washed away and death has been defeated. Considering all this Lord Jesus I cry out to you with all my heart. I thank you and praise you and sincerely ask you again to forgive me of my sins ... and to purify me from all unrighteousness. You are indeed merciful and it is with a grateful heart that I submit my will to yours; especially in the ministry of prayer. Lord I only ask for wisdom in order that I might pray and serve you well. Please help me to be truly humble and faithful.

Thank you Lord for loving me, saving me and using me in your wonderful work of redemption. By the authority of your Name:

I pray now that you God would spiritually open \_\_\_\_\_ eyes and ears to see and hear the gospel in a fresh way as it relates to *me/him/her/them* historically, presently and eternally.

I ask for the Holy Spirit to move and hover over \_\_\_\_\_ and place a hedge of protection over *me/him/her/them*. Please place Godly people in *my/his/her/their* path each and every day including this one which is before us.

Lord I pray that each and every thing that would exalt itself against the true knowledge of God in \_\_\_\_\_ life; especially pride and rebellion; would be cast down at this time. Pull down and demolish all known strongholds, thought patterns, false opinions on religion, materialism and fear that may have crept into \_\_\_\_\_ life.

God Almighty, I pray and ask in Jesus' name that you would bind Satan from taking \_\_\_\_\_ captive and that you God would close all doors that Satan has open in *my/his/her/their* life.

Abba, our Heavenly Father, I know you as the Author of Life, the essence of real Love and as One who's mercies are new every morning. Lord Jesus, I know you as the Great Physician, the Prince of Peace and the One who sets the captives free. Holy Spirit, I know you as Counsellor and Comforter. Please remove all the callousness and heal all the pain of \_\_\_\_\_ heart(s). Please send your angels to minister to *me/him/her/them* in *my/his/her/their* times of need.

Holy Spirit, please give \_\_\_\_\_ Godly dreams and visions. Please speak words of true revelation, knowledge and spiritual understanding into *my/his/her/their* mind(s). Please direct *me/him/her/them* toward deliverance, healthy repentance and the abundant life that Jesus came to give.

Finally, I pray that Your perfect will be done in \_\_\_\_\_ life and that I/he/she/they will serve Your purpose in this generation.

For it is in Jesus' wonderful name I pray, Amen.
