

Important Week 1 Announcement:

Fast Track is also one of our Milestones for FBC KIDS and First Baptist Students, and we have an exciting opportunity for our parents as well. Instead of meeting after school that first day, we are going to have Fast Track at night. We want to invite all of our 5th Grade parents to join us with their kids that night. We want you to experience the first week of Fast Track with your children. Our prayer is that this experience will help you to further discuss what we talk about in Fast Track with your children each week.

Fast Track will meet that night from 6:00 to 7:30. We will provide a meal for everyone. Then, we will introduce Fast Track and work through our first week's lesson afterwards. We will have child care provided if you need it. If you will need child care that night, let us know the ages of your children. There will be more information about this night in the coming weeks.

We will then resume our normal schedule and meet after school on Mondays starting January 14.
