### Animal Planet Camp

Join us on an adventure around the world as we explore the amazing animal kingdom! Campers will learn about many different types of animals and how God made each of them so unique. We may also have some special guests join us for a fun week as we get up close and personal with God's animals.

### Art Studio Camp

Calling all budding artists! Come improve your artistic skills. In the Art Studio, campers will have the opportunity to show off their skills with all types of mediums. ### Build It Camp

Do you love to build with blocks? What about Lego's, Popsicle sticks, or even straws? In Build It Camp, a child does not need an architecture background to create a masterpiece. Throughout the week, campers will be guided through various projects using a wide variety of materials. They will also be able to put their constructions skills to work during free time to build whatever comes to mind.

### Duuude! Camp

This camp is just for duuudes, and there are absolutely no girls allowed! The duuudes will participate in a wide range of activities just for boys. We do not want to give away too many of our surprises to the girls, but there could be some good food, some outdoor activities, and much more. **Duuude! Camp is for Boys Only!**

## **Game-A-Palooza Camp**

In Game-A-Palooza Camp, campers will see some of their favorite board games and apps come to life! Campers will have fun competing against one another in games that have been made life size.
