

Our Purpose and Mission

PURPOSE | At Home & Around the World

At FBC Martin, we have one purpose: To make Christ known among the nations. This is the reason for our existence. This is the purpose for our ministry. Every program and event at FBC Martin has this as its goal. As we experience the joy of God's presence in our own lives, we want to share that joy with the rest of the world. It's a journey that begins here in Martin and carries us throughout the world.

STRATEGY

Our strategy for reaching the world with Good News comes from Acts 1:8. As a body of believers in Jesus Christ, He has called us to be His witness in Jerusalem, in all Judea and Samaria, and to the ends of the earth. As part of our global impact plan for reaching the world, FBC Martin implements an Acts 1:8 strategy for this specific purpose.

ACTS 1:8 TEAMS

JERUSALEM TEAMS

Every ministry, program and event at FBC Martin is specifically designed to share God's love with people throughout our community. It's where our journey begins. From weekly corporate gatherings and ministry programs and events to Vacation Bible School, all have this one, primary focus in mind: To make Christ known.

JUDEA & SAMARIA TEAMS

Judea and Samaria teams are engaged with sharing God's great love both regionally and nationally. While this endeavor is accomplished primarily through short term mission projects, it is also accomplished through missional living as we strive to be the church wherever we go.

ENDS OF THE EARTH TEAMS

If God's heart and desire is that all people know and worship Him, then we can not be limited to the boundaries of the continental U.S. God's heart includes people from every tribe, nation, and tongue. At FBC Martin, we share God's heart and burden for the world. Currently, FBC Martin Ends of the Earth Teams are engaged in Ethiopia, as well as praying for unreached people groups all over the world.

UNTIL THE WHOLE WORLD HEARS

It is our desire at FBC Martin, through the power of the Holy Spirit, to make Christ known. We want to see people from every tribe, nation, and tongue worship Him. It is our responsibility as genuine believers. It's a task that is accomplished through prayer and missional living. Simply put, we're everyday people reaching people everyday with the message of the cross. We are living the Great Commandment so that we may fulfill the Great Commission...until the whole world hears!
