The Mighty Fall

Romans 3:23 and Genesis 3:1-13

Summary: Sin is what separates us from God. As a result, sin is a big deal. The fall in Genesis 3 teaches us just how big of a deal sin is in our lives. Our natural tendency is to cover up our sin, but the reality is that doesn't help anyone. Sin should be dealt with by confessing and repenting of it to God.

Questions:

1. Why is sin such a big deal? (It's what separates us from God)
2. Why is it a natural tendency to want to cover up our sin and mistakes?
3. What should we do with our sin? (Confess it to God and repent of it)
4. Why do we act like sin isn't a big deal when we've already acknowledged that it is a big deal?
