Christmas is on the Horizon

Once school starts back, we all know what that means, Christmas is basically the week after, or at least it sometimes feels that way, as the days speed by so quickly. Remember to keep some of the Christmas ministry we're doing this year in the back of your mind as you're out and about shopping. First, we are filling 50 boxes for the Salvation Army's Operation Christmas Child. Additionally, we're making care packages for the local nursing home. You can see sheets on the front table at church that give more information on both of these ministries, but with the time of year it is, now is the time to start collecting! Please see Rheina or Ann if you have any questions!

Coffee Bar Fundraiser Update

So far, we have raised \$4993.61. Thank you to everyone that has been contributing to this fund. If you'd like to help out with this fundraiser, simply designate "building fund" on your check or envelope.

Going Strong

Both the Men's Ministry and the Women's Ministry have been going strong over the last several months. The Men's Ministry have taken to eating at Otto's BBQ once a month, fellowshiping, and sharing a devotion. This seems to be going really well, and the men always look forward to this time to grow together. It'd be an awesome opportunity to invite a man, particularly someone you know that isn't in church, and even better, offer to pay for their meal. Additionally, the women met this past month to have an end of the summer pool party, sharing hot dogs, sides, fun, laughs, and even a few taking a dip in the pool. Stay tuned for future women's ministry events!
