## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Think about a time when you hesitated to show up because you weren't sure how you'd be received. What emotions did you feel? Did you show up? What happened? Share your story.
3. Our culture often promotes independence and self-reliance. How do messages like *"handle it yourself"* or *"get your life together first"* shape the way people approach faith and their relationship with God? Share your thoughts.
4. Read Hebrews 10:19-23 together. What stands out to you about this passage? Is there anything overly encouraging to you? How might this verse become a transformative verse for you?
5. We recognized that faith is not something we perform, but a response to what Jesus has already done. How does understanding **access to God as a gift** (not something earned) change the way you think about faith, prayer, or approaching God?
6. We noticed that we can show up because Jesus, through faith, made us clean. How do guilt, shame, or fear sometimes keep you from drawing near to God? What would it look like for you to show up to God with confidence this week?
7. How comfortable are you showing up to God to grow in relationship with Him? Is there something you can do this week to be more comfortable and go deeper with Him? What is it?
8. Who in your life might need to hear that Jesus showed up for them? What is your best next step to share this truth this week with someone where you live, learn, work, and play. Share with the group so we can pray with you about it.
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
